Re : PlanB4You verification meeting

This case is being handled by: mr. P.R. Dekker (lawyer)

Dear Sir of Madam,

The delegated judge in the bankruptcy of PlanB4you BV has set the date for the verification meeting to be held on **21 July at 10.00 hours** and also determined that claims can be submitted on **1 April 2021** at the latest.

I am required pursuant to the Bankruptcy Act to inform you of the above.

If you have already submitted a claim you will not have to do so again.

How do we determine your claim?

- I check whether the amount you have submitted as a claim was credited to the PlanB4you bank account.
- If it was, your claim will be approved formally (verified) up to that amount *less all amounts you have already received from PlanB4you*.
- I determine what you have already received on the basis of the PlanB4you bank records.
- This means that we deduct the amounts PlanB4you has paid to you from your claim.
- You are not entitled to the return promised by PlanB4you.
- This means that you will receive at most the amount you paid on balance.

You do not have to attend the verification meeting in person.

You will be informed of the amount I acknowledge as claim. You will be able to respond to that letter. Not to this communication.

Kind regards,

P.R. Dekker
